

# **BFRC Open 50 metre Rifle Meeting 2024**

## **Please read carefully, things have changes since the last meeting**

**I have no had the BFRC booking confirmed, so entries are now open.**

Due to the lack of range space and working targets we are again running 3 English Matches on the Saturday. You may enter 1 or 2 matches, but not all 3. The entry form asks you to put down your preference of detail(s) – please place 1 under your first choice, 2 under your second etc. I will try to give people their first preference, but there may have to be some second (or even third) choices allocated. See schedule at the end of this document.

Due to range orientation if it at all sunny then side blinder restrictions will not apply for the first squad prone.

Currently we have to limit 50m range use to 25 firing points, leaving 5 for hospital bays. This gives a total of 75 slots this year, so hopefully we will be able to accommodate everyone. If there is enormous demand (I live in hope) I may be able to add a 4<sup>th</sup> prone session in on the Saturday.

**In previous years we have tried to accommodate late entries for the prone matches but so many people have left it late to enter it has become very difficult to organise so don't be surprised if your entry is returned or refused if it is near the deadline! Please do enter early. Last year (understandably due to only just coming out of Covid lockdowns) we had to cancel due to insufficient entries. If we have to do this it is only fair to give the NSRA as much notice as possible so they can use the range for something else.**

### **Notes**

- Prone rifle is **not** an aggregate competition. There will be a separate prize list for each match.
- There are now no finals in prone matches, in line with ISSF practice
- by popular request 3P is 3x20. Hopefully this will bring in enough entries.
- There will be no equipment control, but:
- equipment should comply with ISSF rules.
- Exception on side blinders for squad 1 only
- ISSF timings will apply to all events.
- A mixed 3P final will be run, taking scores from both the mens and womens competitions, unless there are enough entries in both to justify 2 finals
- Cheques preferred payment method as our treasurer cannot do online banking.
